

SIMPLE MINING LLC
MACHINE PROTECTION PLAN ADDENDUM

- 1. Services.** The Company provides a Machine Protection Plan ("Plan") that covers all repairs on all Machines purchased and hosted with the Company for the initial twelve (12) month Term for each Machine. Any Machine purchased through the marketplace or during any renewal Terms will have the option to purchase a Protection Plan. The Plan is tiered pricing based on the amount of Machines owned and hosted by said customer.
- 2. Pricing.**

 - a. 1-10 Machines, pricing will be \$5.99 per month per Machine.
 - b. 11-50 Machines, pricing will be \$4.99 per month per Machine.
 - c. 51 Machines and above, pricing will be \$3.99 per month per machine..
- 3. Opting Into the Plan.**

 - a. The Plan is for all of a Customer's Machines or none. Customers are not permitted to protect a portion of their Machines. If Customers decide not to purchase the Plan on all Machines, then the Plan is automatically canceled for each Machine owned by the Customer. The Plan is payable month to month. To opt into the Plan, the Customer must opt in on the Simple Mining Dashboard by selecting "Enable Protection Plan".
 - b. Please note that only Machines purchased and hosted with Simple Mining are eligible for free repairs during the initial twelve (12) month Term. Machines bought from the marketplace do not include free repairs.
- 4. Renewal.** Any Machine on a month-to-month Plan will be auto renewed for the next month unless instructed by the customer to cancel the Plan. Any Machine purchased on the Marketplace throughout the year, or any Machines that are up for renewal throughout the year will be automatically added to the Plan and billed accordingly if the Customer has opted for the Plan with other Machines. If the Customer decides not to add a Machine to the Plan, then the Plan is canceled for all other Customer Machines.
- 5. Repairs.**

 - a. The Plan will cover any and all repair costs that may arise for Machines opted in by the first of each month. The Plan will cover all Machines from the day protection is purchased and will auto renew on the first day of every month if the monthly package is purchased. If a Machine is not repairable, SIMPLE MINING

will cover up to \$500 for the replacement cost of each Machine opted into the Plan by the first of each month. A Machine must be replaced to receive the \$500 credit.

- b. For Customers that do not opt into the Plan, SIMPLE MINING will charge the Customer for all repairs. Any Machine not under SIMPLE MINING's Plan but under warranty through the manufacturer will be charged a fee for labor and shipping if a warranty repair is requested.

6. Protection Plan Terms. Protection plans are non-transferable. Any Machine that currently needs repair cannot be put onto the Plan until they are fully functional. The Plan must be purchased before repairs are necessary. You cannot purchase the Protection Plan to cover repairs after the fact if a Machine needs repair. A Machine must be in good standing and fully functional before the Plan can be purchased.

7. Payment.

- a. The Customer will be invoiced monthly for the Plan, depending on their choice of payment, and must pay SIMPLE MINING as part of the normal billing cycle. SIMPLE MINING reserves the right to suspend or terminate the Plan if the Customer fails to pay any invoice when due.
- b. The Plan is subject to a 7% sales tax.

8. Limitations.

- a. The Plan does not cover repairs resulting from abuse, misuse, or neglect of the Machines. The Plan is also void if the Machines have been modified or repaired by anyone other than SIMPLE MINING. SIMPLE MINING is not responsible for the repairs or replacement of the Machines due to natural disasters, fire, acts of God, or any other events beyond our control.
- b. SIMPLE MINING is not an insurer and the Customer's Machines are not covered by any insurance policy held by SIMPLE MINING. The Customer is solely responsible for obtaining insurance coverage for Machines.
- c. SIMPLE MINING reserves the right to update its Protection Plan at any time to ensure it continues to meet operational needs and customer requirements. The Protection Plan operates on a month-to-month basis, and any updates will be communicated to participants in advance.
